Filed: August 1, 2001

Dear Sirs/Madam:

Enclosed with each letter to the above-referenced inventors is a copy of the subject patent application as filed with the U.S. Patent and Trademark Office on August 1, 2001. All information concerning this application should be kept confidential.

Because this application was filed without a signed Declaration, it is now required that we file the following executed documents with the U.S. Patent Office to complete the filing formalities.

- (1) Declaration to be signed and dated by each inventor.
- (2) Assignment to also be signed and dated by each inventor. Please note that the Assignment should be signed before a notary. On the first page of the Assignment, include the date the Declaration is/was executed.

Once the above documents have been executed, please return all of them to us so that we can file them with the U.S. Patent and Trademark Office. The deadline for filing the formal documents with the USPTO is November 10, 2001.

REMINDER sent 11/02/01

If you have any questions about the completion of these documents, please do not hesitate to contact me at the above telephone number or email address.

Very truly yours,
